

### DPS - Beyond the classroom

The exciting mix of the academic with the co-curricular offers the students a wide mix of learning opportunities. He is free to select the areas of his interest with the confidence that the school would be providing all the right platforms to him to excel in these. These activities get a further impetus by luminaries who regularly visit the institution to push the frontiers of thought.

## International Vistas

DPSR has set its horizons beyond the boundaries of language, nationality, caste, creed and religion, to forge friendships which move beyond the national frontiers.

DPS Raipur has been successful in obtaining a Global School Partnerships Reciprocal Visit Grant with Hounslow Science College, Southhampton UK under the aegis of the British Council. This programme of the British Council is to build effective partnerships between the eastern and western schools across the globe. The Partnership enshrines to offer a global outlook with mutual exchange of academic and co curricular enterprises. The partnership will bear fruit in the form of a holistic growth of students. The school has also partnered with Ellesmere School, U.K.

In recognition of the international dimension in our teaching and learning, we are one of a select number of schools that has been chosen as one of the British Council Ambassador School (BCSA) in Eastern India.

Delhi Public School, Raipur taps those vistas of education which would expose the child to the best around the world and create in him a global outlook. This changes the manner in which a child approaches a subject and builds in him qualities of active leadership, and insight and appreciation of diversity and difference, and makes him a global citizen in the true sense of the word. Our expeditions to foreign destinations like NASA (Florida), USA and Egypt, Europe have been designed for this explicit purpose.

## Camps/Excursions

For a robust development of the child which contains within a spirit of adventure and vigour, the school organizes holiday vocational camps during vacations. Environmental educational programmes ensure that the child gets suitable exposure to the outdoors which teach him to be sensitive towards his environment. Such activities also help create self, reliance and the social quotient of the child and makes him aware of his country's rich heritage.

## Students Council

A School forms the bedrock of all future activities that a child undertakes on the social platform in his grown up years. Student Council at DPSR thus creates this urge to lead and learn the administrative nuances in children at a young age itself. The members of this council are encouraged to participate in the formulation and implementation of school's policies.

## House System

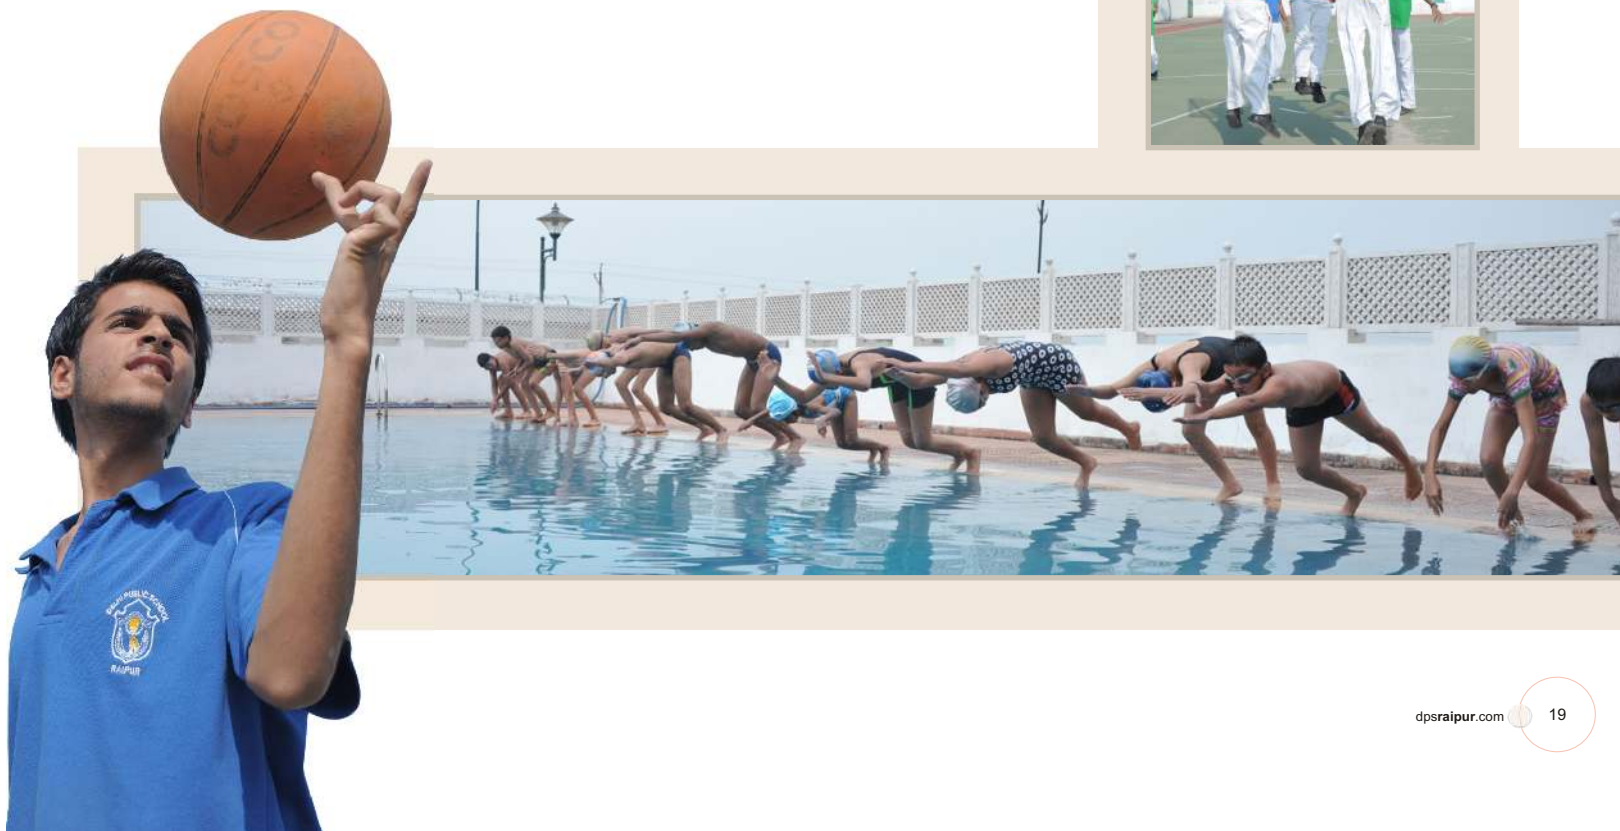

There are four houses Prabal, Pratap, Pragyan and Pragati headed by seasoned House Incharges. It is through competition held between these Houses that a DPS student gets his first lesson in excellence and competitions. Regular Saturday co-curricular activities and Inter House competitions keep the children engaged through out the week and compulsory participation in these not only boosts their confidence and morale but also grooms their personality.

## Sports

At DPSR we attach a significant value to sports activities as we believe that agile mind and a sturdy physique is an outcome of indulgence in sports. Besides, sports help in building a healthy team spirit. Team sports prepares a child to the method of performing in a group and for individual sports the school grooms and trains a student to learn and participate. Splendid sporting facilities abound which include tennis and basketball courts, a jogging track, a health club, and facilities for indoor games as well as outdoor sports such as football, cricket, and handball. There is a provision for sports activities for students of all age groups. We have the best of coaches from all over the country to teach the students the various rules, skills and techniques required for mastering various games. The students are helped in acquiring the art of competing with the opposition with skill and good sportsmanship.

## The Parent Community

The school takes up an all encompassing approach for a child's development. To achieve this we forge a strong and mutually beneficial partnership with the parent and who is kept in the loop about the progress of his ward. Also included in the scheme of things are the guardians and care givers of the child, so that the child does not feel isolated and grows with the comforting of knowing that all those who care are at all times with him.

At parent meetings held at regular intervals, we discuss the progress of the child and the areas that need to be further improved. The Almanac is an invaluable link between home and school. Parents are kept up to date with information through our interactive Website and newsletters. Parental focus groups provide invaluable support and feedback on a variety of school issues, including the development of policies.

## Community Service

DPS Raipur, through its community service is dawning realization of human values to the greater understanding of humanity, fragility and a greater appreciation of the great lives with the motto 'Service before Self', encompassing the theme 'We Value Our Values'

## Science Park

Delhi Public School, Raipur established Science Park, Botanical & Herbal Garden to open new vistas to promoting scientific inquiry and sensitivity in the child. Such information and exposure also gives the child a cutting edge on sensitive platforms which specifically deal with issues of environment and other global concerns.

Bio-tech Lab.

## Hostel

The DPS-Raipur campus has an additional facility of a hostel for boys with a capacity to accommodate upto 250 students. The facility is in the form of airy dorms which can include 4,6,and 10 students in each unit. The large and attached washrooms provide a student comfortable space for his daily chores. The dining area which serves vegetarian food is run by experienced and trained chefs and bearers.

The study rooms, lounge, recreational facility, library and multimedia and indoor and outdoor games facilities attached to the hostel ensure that the child is suitably occupied during his leisure hours.

The hostel facility is only for students of class V and above. Experienced Warden is in-charge of the hostel whilst teaching staff assist with the students study, sports, co-curricular activities including tutorial coaching for the weaker students. Parents and guardians are expected to follow the strict rules of the hostel regarding visiting hours.

## Transport Facility

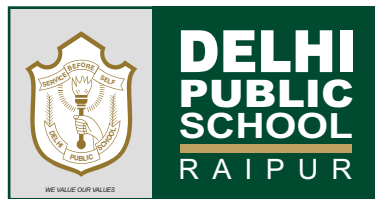

The school has a fleet of 40 buses and 8 LMVs, to commute students to and from their residences.
